

## Oklahoma IDAP: Guide & Checklist for Reinstatement

### What is IDAP?

The Oklahoma Impaired Driving Accountability Program (IDAP) helps participants demonstrate their commitment to safe driving after an impaired driving offense. Completing IDAP is now mandatory for reinstating Class D driver's licenses suspended on or after November 1, 2022.

### Gather all required documents:

- Order of Revocation from Service Oklahoma
- Arrest records, court documents
- Driver's License
- Proof of Identity (e.g., passport, Social Security card)
- Proof of Insurance
- Payment methods (Visa, Mastercard, or Discover)
- Review the Oklahoma Board of Tests for Alcohol and Drug Influence (BOT) IDAP website for detailed information and FAQs: <https://oklahoma.gov/bot.html>
- Have a basic understanding of your legal situation and potential options (consult an attorney if needed)

### Enrollment Steps:

1. Receive Order of Revocation: Service Oklahoma will mail you this document.
2. Apply for IDAP: Choose online (recommended) at [https://oklahoma.gov/bot/bot\\_idap/program-enrollment.html](https://oklahoma.gov/bot/bot_idap/program-enrollment.html) or by mail (see address below).
3. Eligibility Confirmation: BOT will send you the IDAP Agreement and Enrollment Guide if eligible.
4. Install Ignition Interlock Device: Choose a BOT-approved service center.
5. Enroll in IDAP: Submit the signed Agreement, Interlock Verification Form, and \$150 fee before your revocation starts.
6. Confirmation & Restricted License: BOT will send you a Confirmation document. Take it to Service Oklahoma for a restricted license (prevents "revoked" status).
7. Complete IDAP & Revocation Period: Follow program requirements and attend any sessions.
8. Program Completion Review: Request a review from BOT and obtain a Certificate of Completion.

### **Enrollment Options:**

- Online: Fastest and easiest way to submit documents and fees.
- Mail: Send completed forms, Agreement, Interlock Verification Form, and \$150 money order/cashier's check to:
